

THE ORIGIN OF **ISMA ULTRA**

Issue #0 – The Psychic Defender

A hero is chosen.

Ismael Jawed was just a regular kid...

CLUNK!

...until something **VERY** not regular happened.

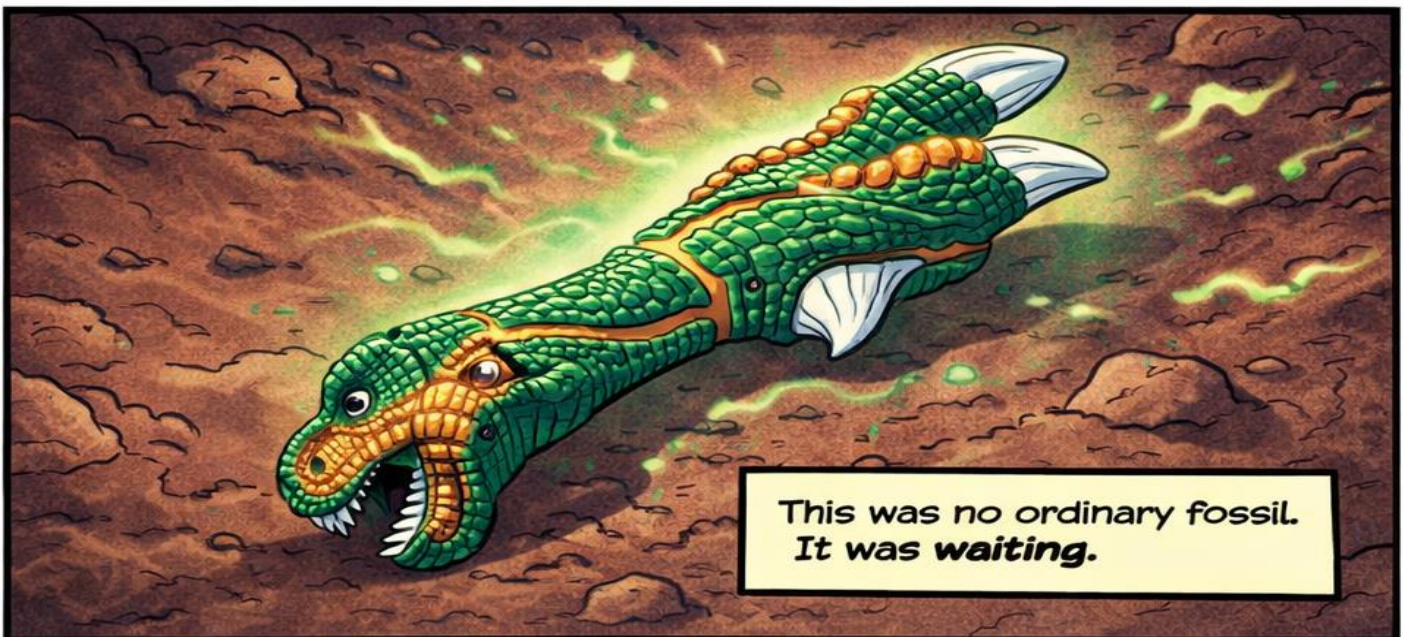

Whoa.

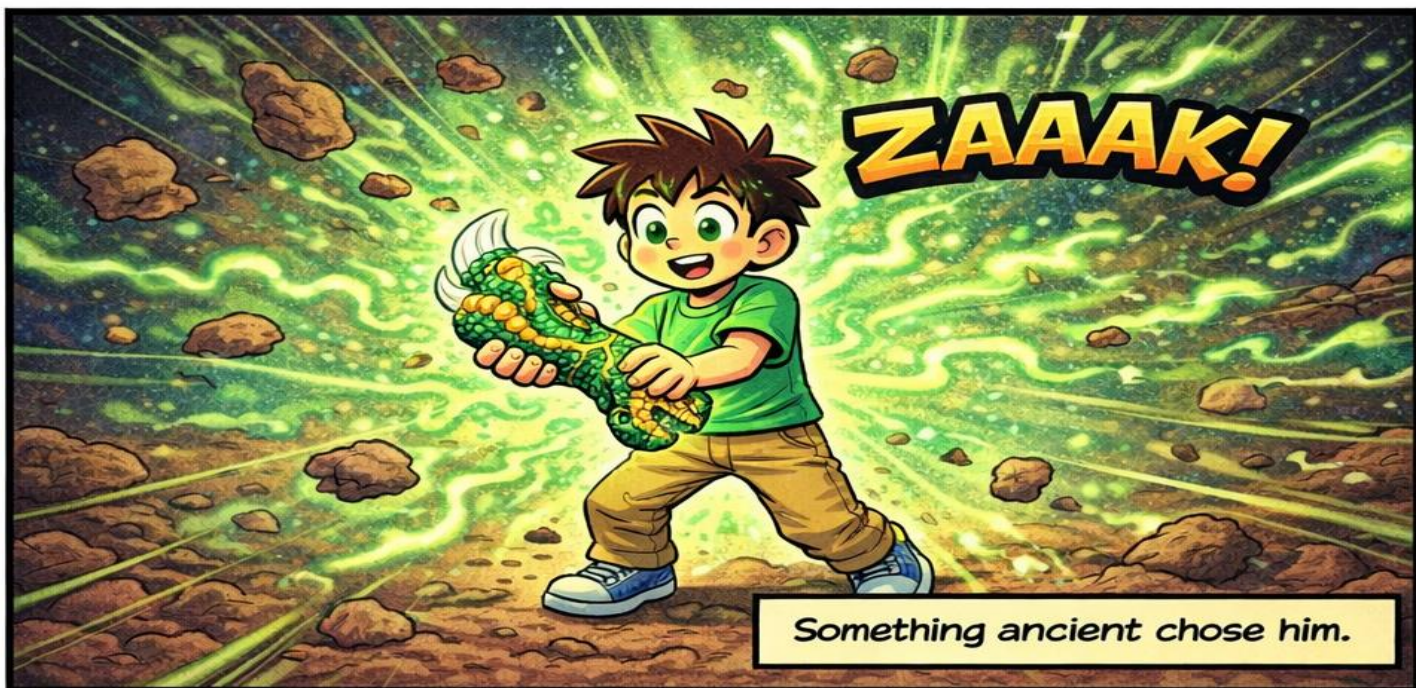

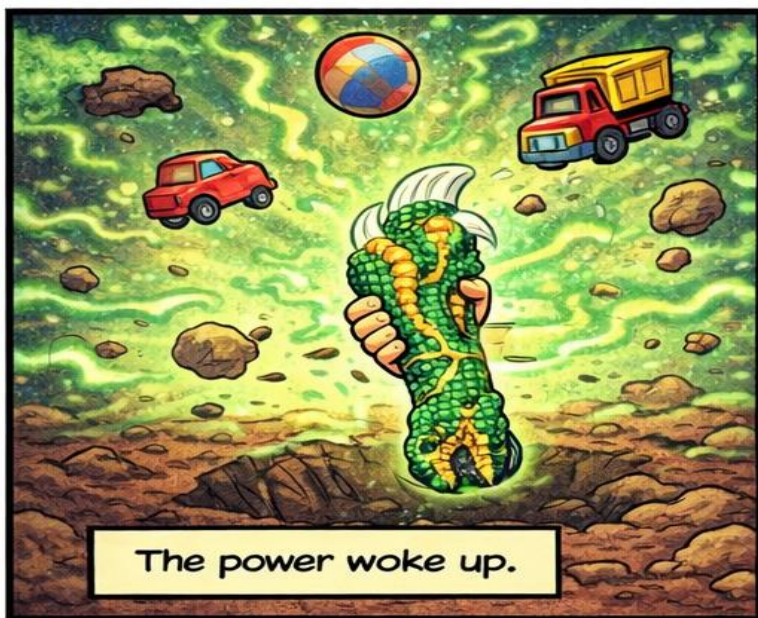

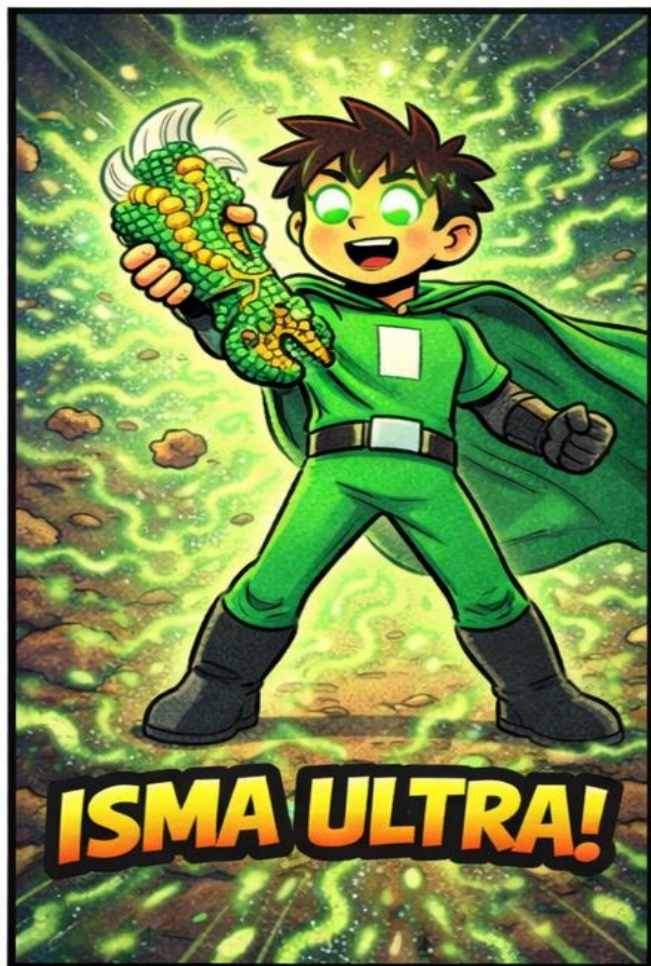

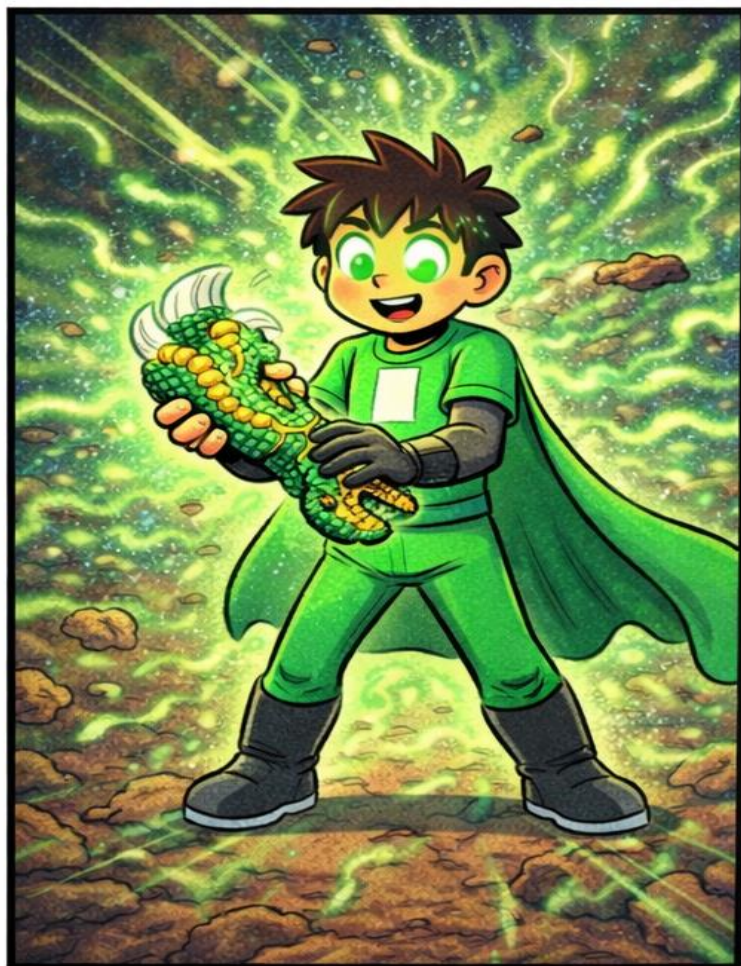

...until something **VERY** not regular happened.

This was no ordinary fossil.
It was **waiting**.

Dragon Mountain.

He didn't stop.

No matter how far it was,

Deep inside...

The cave was quiet...
too quiet.

You came...

No one gets left behind.

This was only the beginning.
